Dear Friend of Strayhaven,

Strayhaven Animal Shelter is Greenville, Pennsylvania's local non-profit, no-kill animal shelter. Due to the increased need for housing homeless animals, we have outgrown our current shelter and many structural elements are beyond repair.

On May 5th 2023, we purchased six acres of land with plans to build a new shelter. The land is located on the corner of Wasser Bridge Road and Keystone Road within the Reynolds Industrial Development. Our plan is to build a 5,242 sq foot facility to be able to house 26 dogs and 26 cats at capacity.

To fundraise for this project, we are offering donors an opportunity to have a brick engraved which will be used as part of the brick garden in front of the new shelter. The brick can be in memory of a pet or family member, feature a business or organization, or have a family name engraved. Bricks will be engraved at Shelly Memorial in Greenville, PA and stored there until construction on the building and brick garden begins.

To purchase an engraved brick, please complete the attached form and send a check of **$100** to Strayhaven Animal Shelter at 94 Donation Road Greenville, PA 16125. Any questions regarding brick engraving are to be directed via e-mail to strayhavenboard@yahoo.com or Andie Lugg, Board President. Information regarding our Capital Campaign can be found on our website - www.strayhavenanimalshelter.com/a-new-haven

Our success in building a safe and healthy facility for the homeless animals of Mercer County and beyond is made possible by the contributions of businesses and individuals like you.

Thank you for helping us help the animals!
Sincerely,

Andie Lugg
Board of Directors, President
